

ScreenSort Privacy Policy v1.0

Privacy Policy

Effective Date: May 2026

ScreenSort respects your privacy and is committed to protecting your information.

Information We Collect

ScreenSort may process:

- * Screenshots and images selected by the user
- * Extracted text generated from screenshots using on-device OCR
- * AI-generated summaries created from screenshot text
- * Basic subscription status information provided by Apple StoreKit

How Information Is Used

Information is used only to:

- * Organise screenshots
- * Generate AI summaries
- * Improve app functionality
- * Provide premium subscription features

AI Processing

Some screenshot text may be securely processed using OpenAI services to generate AI summaries and smart actions. Users should avoid importing highly sensitive personal information.

Data Storage

User screenshots and extracted data are primarily stored locally on the user's device using Apple SwiftData and optional iCloud synchronisation if enabled by the user.

Third-Party Services

ScreenSort may use:

- * Apple StoreKit for subscriptions
- * Apple CloudKit/iCloud for optional syncing
- * OpenAI APIs for AI-generated summaries

No Sale of Data

ScreenSort does not sell personal information or user data to third parties.

User Control

Users may:

- * Delete screenshots at any time
- * Disable iCloud sync
- * Cancel subscriptions through Apple Settings

Children's Privacy

ScreenSort is not directed toward children under 13.

Changes to This Policy

This Privacy Policy may be updated periodically. Continued use of the app constitutes acceptance of any updates.
